FAQ: UniqueShop

As unique as you are

1. How is the product shipped?

There are a number of shipping methods available:

- a) Products are produced, and then shipped together to a single specified address
- b) Shipping to individual addresses – coming soon

2. How are the products packaged?

Standard packaging is a bubble pouch, however we also offer an upgraded custom box and individual message card option

3. What is the lead time?

Products will be delivered to a single specified address within a 2 week period after order

4. What material is the phone case made from, and what is the print method?

Phone cases come in plastic and silicon. Printed using regular and 3D digital print methods

FAQ: UniqueShop

As unique as you are

5. What if there are quality issues?

The custom products are of retail quality, and we provide product warranty support, as with other products. If there are any issues, simply get in touch with us.

6. Can I see a sample before purchasing the service?

Yes, we can provide samples for you upon request

7. What phone models are supported?

We support the majority of mainstream phone models.

8. How do I get started? Who do I contact?

Simply contact your promotional products provider, who will provide pricing, and will guide you through the simple setup process
